

23^o International Conference on Recent Progress in Many-Body Theories

RPMBT23

September 14-18, 2026 - Milan, Italy

<https://rpmibt23.mi.infn.it/>

Conference topics

Condensed Matter Physics

Computational Quantum
Many-Body Physics

Strongly Correlated
Electronic Systems

Nuclear and
Subnuclear Physics

Atomic and
Molecular Physics

Quantum Fluids,
Ultracold Gases

Quantum Field Theory,
Astrophysics

Quantum Information and
Computation

Quantum Chemistry,
Quantum Magnetism

International Advisory Committee:

Raymond F. Bishop (Manchester, UK)
Jordi Boronat (Barcelona, ES)
Siu A. Chin (College Station, US)
John W. Clark (St. Louis, US)
Bhanu P. Das (Kolkata, IN)
Joaquín E. Drut (Chapel Hill, US)
Davide E. Galli (Milan, IT)
Jong Han (Buffalo, US)
